Dear Auntie Azza,

سارا
العم
I'm currently in 8th grade and I'm taking Spanish. The course is very challenging, although the teacher is doing her best to help. I have been working so hard for the past two semesters, but I doubt I can pass the final exam. My parents advised me to continue attending the classes. They believe that I can succeed. I really don't like this course at all, especially the speaking lessons because I can't talk in front of others. I don't know what to do. I only got 40% in the midterm exam. As I said previously I'm worried I will fail the exam at the end of the year. I have no idea what to do about this course because honestly it's just not working for me Auntie. Please help!

Yours,

Sara
